

Preserve night vision & avoid disturbing others in the dark

Hahnel 6 IN 1 Travel Cleaning Kit

Be the first to review this product

\$34.95

Maintain your camera equipment with essential care and cleaning, even when you are on the road, with the Hahnel 6 in 1 Travel Cleaning kit. Included in this kit is a lenspen, blower, cleaning fluid, micro fibre cloth, screen wipes, and micro fibre wipes. With these items in your possession, you are set to remove all manner of fingerprints, grease, dirt, and dust from your camera and its various surfaces and parts. Not just for cameras, the safe and sensitive items in this kit are suitable for various optical equipment, including spotting scopes, binoculars, and screens. Ideal for travel, this handy **accessory** comes in an easy-to-carry bag, which is waterproof to protect it from being damaged.

- For cleaning camera screens, lenses & surfaces
- For wet & dry cleaning
- Compact, travel size
- For the removal of fingerprints, grime, dirt & dust
